This classic New York Times–bestselling historical romance tells the enthralling, passionate story of a young English woman who is wrongly convicted of a crime and auctioned off to the highest bidder in the American colonies Born out of wedlock to a London barmaid, Marietta Danver yearns to live life to its fullest despite her humble origins. But her dreams of love and happiness almost die in Newgate Prison, where she is convicted of a crime she didn't commit and deported to North America to be sold into indentured servitude. In the wild Carolinas, Marietta uses her beauty to survive. But in doing so she arouses unruly passions in the hearts of three men: Derek Hawke, the enigmatic planter who buys Marietta for an outrageous sum; brash, charming Jeff Rawlins, who sweeps her away to Louisiana; and a gentleman whose fervor may conceal a violent madness. From New Orleans' red-light district to a fashionable estate in Natchez, from the struggles of a life of bondage to the perils of helping to transport slaves to freedom, Marietta vows to prevail and find a true and lasting love. The Marietta Danver Trilogy also includes *Love Me, Marietta* and *When Love Commands*. Jessa Wilde fell in love with Adam Gray years ago, when he was a teenage ranch hand at her grandfather's ranch, Wilde Acres, and she was a gawky eleven-year-old. But with a losing hand of poker, her grandfather's prize stallion went to the Grays, and the two families have been feuding ever since. Jessa doesn't know the reason behind the feud—she only knows that her heart has never belonged to anyone but Adam. Adam Gray doesn't realize, that afternoon when his Jeep won't start, that the gorgeous young woman offering him a lift is someone he should have recognized. The ride home hits a bump when Jessa's car breaks down and a hurricane hits, forcing the pair to spend a night together in the only shelter around, an old abandoned barn. Passing the time by playing a few hands of poker seems harmless enough—the bets are simple twigs and straws. Until suddenly the stakes get higher, and when Adam figures out he's been set up the feud is likely to escalate into an all-out war. Choosing between the grandfather she has always adored and the man she's pined for most of her life, Jessa finds out—well, it's complicated. Praise for *CJ Love's* novels: "What a great read!! Her summer job as a lifeguard will take her through until the fall, when she wants to attend the Art Institute. But unfortunately for Lucy, she's currently living under Aunt Stephanie's roof, and her straight laced aunt has other ideas. To avoid being forced into pharmacy school, Lucy accepts her best friend Chloe's invitation to spend the summer working on her uncle's huge ranch in central Florida. Feeding horses doesn't sound too hard, and the pay is a lot better than at the city pool. Nicholas Wilde is sick and tired of the women in his family playing matchmaker. Every summer it's some new girl, and none of them have half the appeal as that cutie who thought she was rescuing him from drowning when he dove for the ring he'd dropped to the bottom of the pool that day. Plus, Cynthia Thompson is around the ranch a lot these days. He doesn't need any more complications. Imagine their mutual shock to discover that not only is the lifeguard now one of his ranch hands, none of the guest quarters were available and she's sleeping in the bedroom right next to his. It isn't long before Lucy suspects Chloe and her grandmother are behind the setup, and she wants the heck out of there. But there's no quick escape from the remote ranch, and she's quickly falling in love with the beautiful scenery and the people—some of them. Still, the hunky Nicholas surely won't give Lucy a second glance, as long as elegant Cynthia is at the ranch. Plus, Lucy doesn't want to give up her dream of art school. Will there be any chance that things will work out and the spark between them can ever become a flame? Praise for *CJ Love*: "You have to read this book!! Weston "Major" Marian: After running away at the age of seventeen, I found a home in the Army. It wasn't long before my fellow soldiers became family, giving purpose to my time in Vietnam. But everything changes when Doc Wilde joins my medevac crew. A night alone in the jungle after a helicopter crash forces us to rely on each other for survival, the secrets we share cementing a bond between us deeper than any I've ever known. Doc begins to play a starring role in my late night fantasies even though he can never be anything more than a friend, a brother-in-arms. When our tours finally end, and we go our separate ways, Doc heads home to his perfect family while I continue to serve. I thought that was the end of our story. Turns out I was wrong. Even though I never imagined building a future with another man, seeing Major in this new light is a revelation. And suddenly I can't imagine my life any other way. Colm Tóibín knows the languages of the outsider, the secret keeper, the gay man or woman. He knows the covert and overt language of homosexuality in literature. In *Love in a Dark Time*, he also describes the solace of finding like-minded companions through reading. Colm Tóibín examines the life and work of some of the greatest and most influential writers of the past two centuries, figures whose homosexuality remained hidden or oblique for much of their lives,

either by choice or necessity. The larger world couldn't know about their sexuality, but in their private lives, and in the spirit of their work, the laws of desire defined their expression. This is an intimate encounter with Mann, Baldwin, Bishop, and with the contemporary poets Thom Gunn and Mark Doty. Through their work, Tóibín is able to come to terms with his own inner desires—his interest in secret erotic energy, his admiration for courageous figures, and his abiding fascination with sadness and tragedy. Tóibín looks both at writers forced to disguise their true experience on the page and at readers who find solace and sexual identity by reading between the lines. Kissing Oscar Wilde is the true memoir of author Jade Sylvan, who went to Paris to chase love and a man but was awakened by the endless open doors provided by new lovers in all forms. The prose within this high concept erotic novel erupts like poetry as we follow her trail from America to the endless underground world of artists, food and sex in this new non-fiction venture. Eloisa James returns to the Wildes of Lindow Castle series with the next Wilde child who runs and joins a theatre troupe -- and the duke who tries to save her reputation. He wants a prim and proper duchess, not the Wildest of the Wildes! Already notorious for the golden hair that proves her mother's infidelity, Lady Joan can't seem to avoid scandals, but her latest escapade may finally ruin her: she's determined to perform the title role of a prince—in breeches, naturally. She has the perfect model for an aristocratic male in mind: Thaddeus Erskine Shaw, Viscount Greywick, a man who scorned the very idea of marrying her. Not that Joan would want such a dubious honor, of course. For years, Thaddeus has avoided the one Wilde who shakes his composure, but he's horrified when he grasps the danger Joan's putting herself in. Staring into her defiant eyes, he makes the grim vow that he'll keep her safe. He strikes a bargain: after one performance, the lady must return to her father's castle and marry one of three gentlemen whom he deems acceptable. Not including him, of course. The richest bachelor in England plays matchmaker...for an heiress he wants for himself! For beautiful, witty Lavinia Gray, there's only one thing worse than having to ask the appalling Parth Sterling to marry her: being turned down by him. Now the richest bachelor in England, Parth is not about to marry a woman as reckless and fashion-obsessed as Lavinia; he's chosen a far more suitable bride. But when he learns of Lavinia's desperate circumstances, he offers to find her a husband. Even better, he'll find her a prince. As usual, there's no problem Parth can't fix. But the more time he spends with the beguiling Lavinia, the more he finds himself wondering... Why does the woman who's completely wrong feel so right in his arms? Oscar Wilde wrote 'For Love of the King' for his friend Mabel Cosgrove, and it was not published until after his death, in the 1920's. Its publication sparked a great deal of controversy that resulted in a trial because Mabel Cosgrove was accused of having written the play herself. A great read for any short story and Oscar Wilde fan. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He died in Paris at the age of 46. The Importance of Being Earnest is Oscar Wilde's most popular and enduring play. Poking fun at the ridiculousness of human nature, especially that of the Victorian elite, it is both incredibly clever and undeniably silly. It has been performed and made into films and for television many times, most recently in the 2002 film starring Colin Firth, Reese Witherspoon and Judi Dench. He's a gangster going straight. She's a waitress going bankrupt. Will their

The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze'ev takes these experiences seriously, but he's also here to remind us of the benefits of profound love—an emotion that can only develop with time. In The Arc of Love, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze'ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say "I love you." Ultimately, Ben-Ze'ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on. After having not one but two grooms ditch her at the altar, Rachael commits an uncharacteristic act of rebellion—and gets arrested by sexy Sheriff Brody Carlton, her childhood crush. Rachael's sworn off of love . . . but now she's fantasizing about Brody. Can it be possible to have her wedding cake and eat it too? ALL OF ME When a

searing betrayal leaves Jillian Samuels heartbroken and wishing for a fresh start, her newly inherited cottage in Salvation, Colorado, seems like the perfect place to find it. It has a fireplace, a mountain view—and the most gorgeous and infuriating man she’s ever met already living inside! Tuck Manning won’t give up his home without a fight, so until they can untangle who owns the cottage, the two resolve to live as roommates. But as the days—and nights—heat up, they find that sometimes salvation comes when you least expect it . . . (170,000 words) Margie Walker might be slightly accident prone. Although the man at the bank whom she nearly strangles with her purse strap would likely call her homicidal. Her fiancé, the straight-laced lawyer Tyler Bonaguide is the man she set her cap for ten years ago—now he’s the handsome gubernatorial candidate. All she wants is for the wedding to go smoothly so she can claim her inheritance and settle into the upscale life she was groomed for. Rancher Alex Wilde is in Tampa to catch up with the elusive and beautiful Brittany, stop her marriage and save his land, and the last thing Margie wants is to get caught up in the middle of this stranger’s problems. But smack in the middle is where she finds herself, as he demands that she give him a ride to the pier and Brittany’s cruise ship, where this other woman is most likely to be married at sea right after it sails. A less-likely pair there never was, and Margie can hardly be blamed for Alex’s recklessly driving her Jaguar off the road. But there’s her own kind-hearted streak in helping with his quest to catch the ship, long after she knows she should instead be racing home to Tyler. Then again, this might be her final adventure before settling into marriage and life as Florida’s first lady. A torrential downpour, a plane crash, a Bahamian marketplace, a runaway donkey cart . . . and there’s more . . . Will this mismatched pair survive the streak of disasters that befell them, and will a gumball-machine trinket prove to be the blast-from-the-past that tells Margie true love just may have a chance? The laugh-out-loud antics and loveable cast of characters are sure to keep you turning the pages, way past bedtime! Praise for CJ Love’s novels: “What a great read!! And if you write a letter to Cupid, you will get an answer in return . . . Now, from New York Times bestselling author Lori Wilde, read how the legend of Cupid began . . . All it took was one great love story! Too bad for pretty young housemaid Millie Greenwood that her one true love is John Fant, the handsomest, wealthiest man in town. But in 1924, a maid—no matter how lovely—isn’t about to marry into the town’s foremost family, and John is on the verge of becoming betrothed to another. Everything seems hopeless until Millie writes a desperate letter to Cupid, and the most romantic legend of all is born . . . In *Love in a Dark Time*, Colm Tóibín looks at the life and work of some of the greatest and most influential artists of the nineteenth and twentieth centuries. His subjects range from figures such as Oscar Wilde, born in the 1850s, to Pedro Almodóvar, born nearly a hundred years later. Tóibín studies how a changing world impacted on the lives of people who, on the whole, kept their homosexuality hidden, and reveals that the laws of desire changed everything for them, both in their private lives and in the spirit of their work. From bestselling romance author Lori Wilde comes *All Out of Love*, the sizzling second book in her Cupid, Texas, series, set in a town where every wish for love comes true. Millie Greenway and her friends have tried for years to keep the Cupid legend alive in their hometown, but she’s not getting much help from her granddaughters. Lace Bettingfield knows the legend is bogus. As a teen, she left a letter at the Cupid statue and got nothing in return but humiliation. But now the guy she dreamed of is back in town, Lace begins to wonder if the tale might just prove to be true. *All Out of Love* features the humor and heartfelt emotion that fans have come to expect from the author of *The First Love Cookie Club* and *A Cowboy for Christmas*.
