Italian Literature: Il tristiano panciatichiano Nov 02 2020 The Arthurian Archives series of texts and editions in translation, edited by Norris J. Lacy, makes a start on Italian Arthurian material, with a 14c Tristan text. This is the first critical edition with English translation of the prose compilation Tristiano panciatichiano, preserved in a unique manuscript in the Biblioteca Nazionale of Florence (MS Panc. 33); it is the first time the Italian text has been published in its entirety in any form. Assembled by the mid-fourteenth century, the manuscript is an original compilation in Italian based on several French models: the Queste del San Graal, Josephd'Arimathie, the Mort Artu, and notably, the Roman de Tristan en prose. While the edition itself will be of great interest, the translation into English is a major opportunity for Arthurians and other medievalists, and furnishes important new evidence for the study of Arthurian material in Italy. Apparatus includes a finding list of Arthurian manuscripts produced, owned or read by Italians; a select bibliography; and an index of proper names found in the narrative.

Silent Film: A Very Short Introduction Jul 31 2020 Encompassing the thirty-five year span between the initial development of film technology in the mid-1890s and the adoption of synchronized sound in the late 1920s, the cinema's silent era is both one of the most important epochs of film history and one of the most misunderstood within the popular imagination. In this brief and readable account, these formative decades come vividly to life. Covering the full scope of the silent era—from the invention of motion pictures to the rise of the Hollywood studios—and touching on films and filmmakers from every corner of the globe, *Silent Film: A Very Short Introduction* offers a window into film's first years as a worldwide entertainment phenomenon. From groundbreaking early shorts to the masterpieces of the cinema's classical era, from street-corner nickelodeons to grand movie palaces, from slapstick to the avant-garde, the silent era's artistic abundance and global variety are here put on full display. In the story of silent film, we see not just the origins of a new culture industry but also a legacy of imagination and innovation that continues to profoundly influence the cinema even to this day. ABOUT THE SERIES: The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Imagining the Woman Reader in the Age of Dante Jan 05 2021 *Imagining the Woman Reader in the Age of Dante* brings to light a new character in medieval literature: that of the woman reader and interlocutor. It does so by establishing a dialogue between literary studies, gender studies, the history of literacy, and the material culture of the book in medieval times. From Guittone d'Arezzo's piercing critic, the 'villainous woman', to the mysterious Lady who bids Guido Cavalcanti to write his grand philosophical song, to Dante's female co-editors in the *Vita Nova* and his great characters of female readers, such as Francesca and Beatrice in the *Comedy*, all the way to Boccaccio's overtly female audience, this particular interlocutor appears to be central to the construct of textuality and the construction of literary authority. This volume explores the figure of the woman reader by contextualizing her within the history of female literacy, the material culture of the book, and the ways in which writers and poets of earlier traditions imagined her. It argues that these figures are not mere veneers between a male author and a 'real' male readership, but that, although fictional, they bring several advantages to their vernacular authors, such as orality, the mother tongue, the recollection of the delights of early education, literality, freedom in interpretation, absence of teleology, the beauties of ornamentation and amplification, a reduced preoccupation with the fixity of the text, the pleasure of making mistakes, dialogue with the other, the extension of desire, original simplicity, and new and more flexible forms of authority.

The Saints of Swallow Hill May 01 2023 Few writers evoke the complexities of the heart and the gritty fascination of the American South as vividly as Donna Everhart, whose lyrical new novel, set against the background of the Great Depression, is a powerful story of courage, survival, and friendship . . . In the dense pine forests of North Carolina, turpentiners labor, hacking into tree trunks to draw out the sticky sap that gives the Tar Heel State its nickname, and hauling the resin to stills to be refined. Among them is Rae Lynn Cobb and her husband, Warren, who run a small turpentine farm together. Though the work is hard and often dangerous, Rae Lynn, who spent her childhood in an orphanage, is thankful for it—and for her kind if careless husband. When Warren falls victim to his own negligence, Rae Lynn undertakes a desperate act of mercy. To keep herself from jail, she disguises herself as a man named “Ray” and heads to the only place she can think of that might offer anonymity—a turpentine camp in Georgia named Swallow Hill. Swallow Hill is no easy haven. The camp is isolated and squalid, and commissary owner Otis Riddle takes out his frustrations on his browbeaten wife, Cornelia. Although Rae Lynn works tirelessly, she becomes a target for Crow, the ever-watchful woods rider who checks each laborer’s tally. Delwood Reese, who’s come to Swallow Hill hoping for his own redemption, offers “Ray” a small measure of protection, and is determined to improve their conditions. As Rae Lynn forges a deeper friendship with both Del and Cornelia, she begins to envision a path out of the camp. But she will have to come to terms with her past, with all its pain and beauty, before she can open herself to a new life and seize the chance to begin again.

Donna Summer Nov 26 2022 Donna Summer dominated the American and European pop charts in the 1970s with dance music classics such as "Last Dance," "Love To Love You Baby," "I Feel Love," "Hot Stuff," and "Bad Girls"—earning her the title "Queen of Disco." In a career which has now spanned four decades, she has sold over 100 million records worldwide, won five Grammy Awards, scored twenty Top 40 hits, and collaborated with musical giants such as Barbra Streisand, Bruce Springsteen, and Quincy Jones. *Donna Summer: Her Life and Music* is the first book in over twenty years to examine this extraordinary performer's life and career. Author Josiah Howard provides in-depth, insightful coverage. This chronicle and analysis of Donna Summer's triumphs and setbacks - both professional and private - paints the definitive picture of an artist who overcame adversity, pushed musical boundaries, and created a catalog of innovative recordings that helped define an era. Book jacket.

LATINITATIS RATIONES Jun 21 2022 This volume assembles 50 contributions presented at the XVII International Colloquium on Latin Linguistics. They embrace essential topics of Latin linguistics with different theoretical and methodological approaches: phonetics, syntax, etymology and semantics, pragmatics and textual analysis. It is a useful resource for the study of comparative and general linguistics, not only for linguists but also for scholars of classical philology.

Figli della Bruma Aug 12 2021 *Children of the Mists* is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other, nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... *Children of the Mists* is a gripping journey back in time that will make the perfect addition to any romance lover's collection.

Reform and Resistance in Schools and Classrooms Mar 26 2020 What constitutes better schooling for today's youth? In 1984 educational theorist Theodore R.Sizer formulated nine Common Principles to answer this question and launched The Coalition of Essential Schools, an organization of schools attempting to change their own structure, curriculum, pedagogy, and power relations according to Sizer's Principles. This important book, the first comprehensive look at Coalition schools, charts the course of reform at eight charter member schools. Donna E. Muncey and Patrick J. McQuillan, experts in anthropology as well as education, conducted a five-year ethnographic study to understand what happened in Coalition schools. The authors looked at curricular and pedagogical developments; how changes affected individual students, teachers, administrators, and other school personnel; and how American cultural beliefs influenced efforts to change.

Girls on the Brink Aug 24 2022 15 revelatory strategies for raising emotionally healthy girls, based on cutting-edge science that explains the modern pressures that make it so difficult for adolescent girls to thrive "This is a brave and important book; the challenging stories—both personal and scientific—will make you think, and, hopefully, act."—Bruce D. Perry, MD, PhD, New York Times bestselling co-author of *What Happened to You?* Anyone caring for girls today knows that our daughters, students, and girls next door are more anxious and more prone to depression and self-harming than ever before. The question that no one has yet been able to credibly answer is Why? Now we have answers. As award-winning writer Donna Jackson Nakazawa deftly explains in *Girls on the Brink*, new findings reveal that the crisis facing today's girls is a biologically rooted phenomenon: the earlier onset of puberty mixes badly with the unchecked bloom of social media and cultural misogyny. When this toxic clash occurs during the critical neurodevelopmental window of adolescence, it can alter the female stress-immune response in ways that derail healthy emotional development. But our new understanding of the biology of modern girlhood yields good news, too. Though puberty is a particularly critical and vulnerable period, it is also a time during which the female adolescent brain is highly flexible and responsive to certain kinds of support and scaffolding. Indeed, we know now that a girl's innate sensitivity to her environment can, with the right conditions, become her superpower. Jackson Nakazawa details the common denominators of such support, shedding new light on the keys to preventing mental health concerns in girls as well as helping those who are already struggling. Drawing on insights from both the latest science and interviews with girls about their adolescent experiences, the author carefully guides adults through fifteen "antidote" strategies to help any teenage girl thrive in the face of stress, including how to nurture the parent-child connection through the rollercoaster of adolescence, core ingredients to building a sense of safety and security for your teenage girl at home, and how to foster the foundations of long-term resilience in our girls so they're ready to face the world. Neuroprotective and healing, the strategies in *Girls on the Brink* amount to a new playbook for how we—parents, families, and the human tribe—can secure a healthy emotional inner life for all of our girls.

Living in the Land of Death Jul 23 2022 With the Indian Removal Act of 1830, the Choctaw people began their journey over the Trail of Tears from their homelands in Mississippi to the new lands of the Choctaw Nation. Suffering a death rate of nearly 20 percent due to exposure, disease, mismanagement, and fraud, they limped into Indian Territory, or, as they knew it, the Land of the Dead (the route taken by the souls of Choctaw people after death on their way to the Choctaw afterlife). Their first few years in the new nation affirmed their name for the land, as hundreds more died from whooping cough, floods, starvation, cholera, and smallpox. *Living in the Land of the Dead* depicts the story of Choctaw survival, and the evolution of the Choctaw people in their new environment. Culturally, over time, their adaptation was one of homesteads and agriculture, eventually making them self-sufficient in the rich new lands of Indian Territory. Along the Red River and other major waterways several Choctaw families of mixed heritage built plantations, and imported large crews of slave labor to work cotton fields. They developed a sub-economy based on interaction with the world market. However, the vast majority of Choctaws continued with their traditional

subsistence economy that was easily adapted to their new environment. The immigrant Choctaws did not, however, move into land that was vacant. The U.S. government, through many questionable and some outright corrupt extralegal maneuvers, chose to believe it had gained title through negotiations with some of the peoples whose homelands and hunting grounds formed Indian Territory. Many of these indigenous peoples reacted furiously to the incursion of the Choctaws onto their rightful lands. They threatened and attacked the Choctaws and other immigrant Indian Nations for years. Intruding on others' rightful homelands, the farming-based Choctaws, through occupation and economics, disrupted the traditional hunting economy practiced by the Southern Plains Indians, and contributed to the demise of the Plains ways of life.

Holy Jul 11 2021 Photographer Donna Ferrato goes on a radical 50-year road trip across the USA as women fight for equality in the bedroom and the boardroom. Holy follows her journey from the sexual revolution of the '60s through the #metoo era of today. Holy is forged from one woman's outrage against a woman-hating world. May it anger you. Donna Ferrato's radical photographs show what women are capable of surviving. More than survive, Holy depicts women who prevail. Holy is an invitation to understand how it feels being held down by the patriarchy-what we are fighting for, what we are up against--and how we manage to maintain a sense of desire and appetite. Fighting for equality in the bedroom and the boardroom, Ferrato's journey follows the sexual revolution of the '60s through the #metoo era of today. Holy is a showcase of power. Donna's images reveal women's bodies in all their monstrous glory-even her own. May these photographs mobilize you, whether you are cis or trans, young or old, butch or femme. Human survival depends on women. Embrace your instincts, desires, brainpower, and strength. Embrace each other.

Emerging Heroes Feb 03 2021 Inspired by seven photographs of WWII refugees in an old album, the author embarked on a quest to uncover the story behind each portrait. Had the refugees been rescued by the diplomat Chiune Sugihara, who saved thousands of Jews from the Holocaust by providing Japanese transit visas? Searching for the identities of the people in the photographs, the author scoured historical records and interviewed numerous fascinating individuals, including Sugihara visa recipients and their descendants. While solving the mystery of the people in the photographs, the author uncovered more hero diplomats and new details about Sugihara visas. This account of the author's investigation supports the legacy of Chiune Sugihara and highlights other WWII saviors, such as the Dutch diplomat Jan Zwartendijk.

Ordinary Girl Jan 29 2023 Ordinary Girl is legendary singer-songwriter Donna Summer's delightfully candid memoir about her journey from signing in a Boston church to her unexpected reign as the Queen of Disco, and the tragedy and spiritual rebirth that followed.

The Saints of Swallow Hill Mar 31 2023 In Georgia's Swallow Hill turpentine camp in 1932, Rae Lynn Cobb, disguised as a man, hides out from those who would wrongly accuse her for murdering her husband and struggles to survive harsh, brutal conditions with the help of two individuals with their own tragic pasts.

Al "Trunk" Mahoney, Defensive Line (Edizione Italiana) May 28 2020 Quando sua moglie lo lasciò, i progetti di Al Trunk Mahoney sul formare con lei la famiglia che non aveva mai avuto andarono in fumo. Trunk era uno dei migliori difensori della NFL, ma il successo in campo non si estendeva anche al resto della sua vita. Avere avventure di una sola notte con varie donne era facile per il sensuale lineman, ma il suo segreto gli aveva sbarrato le porte del matrimonio. La felicità che desiderava sarebbe sempre rimasta appena al di fuori della sua portata? La bellissima Carla Ricci, proprietaria di un bar e donna indipendente, poteva scegliere chiunque volesse. Era una donna che seduceva e abbandonava gli uomini, e aveva preso una decisione che scoraggiava il novantanove virgola nove per cento di loro dallo sposarla, ma non le importava. Poi, arrivò Trunk Mahoney. Carla si convinse che sarebbe rimasta fedele a se stessa, ma la sua forza di volontà sarebbe stata in grado di rimanere salda per sempre, o alla fine si sarebbe accontentata di una breve storia che le avrebbe spezzato il cuore?

Natalia Ginzburg Dec 16 2021 A prominent and prolific Italian writer, Natalia Ginzburg (1916-1991) is known for her novels, plays, short stories, and essays. This collection brings together, for an English-speaking audience, a variety of critical perspectives on Ginzburg's work. The essays, all by North American scholars, examine the author's entire production. The topics examined include Ginzburg's struggle to define herself as a woman, a writer, and an intellectual; her interpretation of the relationship between historical events and private lives; her reflections on the women's movement and the changing nature of the family; and her mastery of a distinctly personal writing style. What emerges here is a nuanced and complex portrait of Ginzburg and her work. The reader is given a sense of the importance of her contribution, not only as a writer but as a witness to the events of the twentieth century. The volume also includes a chronology, a bibliography, and translations of some of Ginzburg's lesser-known writings, including three articles, a poem, and a one-act play.
